CHAIRMANS FORWARD

Welcome to another year of caravan & motorhoming with the Worcestershire Centre, and thank you for appointing me your Chairperson; both my wife, Karen, and I are really looking forward to our roles. My theme for the year is fun and friendship. Karen and I have been caravanning for almost 40 years, most of that time, we have been on our own or with family.

But since we've been rallying, we have met a fabulous group of new friends at the Worcesters; from our super enthusiastic juniors, young families with toddlers, to the not-so-young who can perhaps give more time to organising things, we have attended some wonderful events ranging from simple group meals to full-on weekends and holiday rallies. Our meets are varied and very informal, you can do your own thing or be as much a part of the group as you wish. What you will experience though, is a very genuine and warm welcome from people who, like you, just enjoy caravanning.

Why not come and give it a try with one of our centre rallies

Best wishes ... David Orr

NOTES FOR THE ATTENTION OF RALLIERS

It is recommended you carry your CAMC membership card with you when attending rallies. When visiting other centres, you may find it necessary to show proof of membership on arrival at a rally. Orange coloured WCCC signage will be displayed as prominently as possible along the approaches to our rally venues. Any directions are only given as indications and should be used in conjunction with a larger scale map. Note that SatNavs should be used with caution as postcodes provided by site owners may not point to the actual rally location.

The committee consider it necessary that every caravan is equipped with a basic first aid kit and fire extinguisher. The CAMC require a minimum of 6 metres between facing walls of caravans and motorhomes (units) and also a min of 3 metres between awning, tent or car of each unit. The Rally Officers have full authority to move any member not complying with these requirements. Ensure all pitches remain clean and free from litter at all times and remove all rubbish at the end of a rally, unless facilities are provided for disposal on site (in which case, this will be advised).

Please remember that registration with the Worcs Centre is NOT automatically completed with your annual club membership. Annual registration must be done manually, you may call the CAMC Membership Services on 01342 318813 or complete the function via your online login of the CAMC website. Please note that unless you're registered with the centre, you will NOT be able to speak or vote or at the centres AGM, you must also be registered for a min of 35 days prior to the AGM too.

WHAT IS A RALLY

A rally is a short term caravanning event where we meet up, usually for a weekend. Some rallies provide activities such as fishing, places of interest etc, where some are simply a 'free and easy' affair for members to do as they wish. We also run a few holiday rallies elsewhere in the UK, these can run for up to two weeks. As an attendee, you're welcome to join in or do your own thing, involvement isn't obligatory.

You will often need to use your own sanitation, be able to run on gas and leisure battery (unless EHU is available), as basic services only are generally supplied, eg water supply and disposal of chemical and grey waste.

Well behaved pets are welcome, but dogs must always be kept on their leads and under control of the owner.

To attend any of the Worcs Centre rallies, choose an event from this guide or browse our main website at worcestershirecentre.co.uk, then contact the appointed Rally Officer (RO) to book in. Booking details are provided within this guide, however you may also email bookings@worcestershirecentre.co.uk If booking by email, you must provide all details such as full name, membership number, attendees etc and a contact phone number at the very least. Your booking will be passed on the RO, who may then contact you directly if necessary.

In the rare event of a rally being cancelled, this will be publicised on our website at the earliest opportunity.
