Dear Michael,

We are very grateful to have received your very kind donation of £450, please pass our warmest thanks onto all the members of the East Warwickshire Caravan Club we made this possible. It was lovely to hear that you vote for a nominated charity at your AGM every year and it was very kind of you to choose Cancer Research UK for 2016/17. I was very sorry to hear that we are a charity close to your hearts after several of your members have been affected by cancer and I hope that you can take some comfort in the knowledge that your donation will make a big difference to our work. We promise to make it count.

Cancer Research UK is fighting for a world where no one's life is cut short by cancer. There is real hope too, each year our scientists get closer to finding a cure and in the last 40 years we've helped double survival rates.

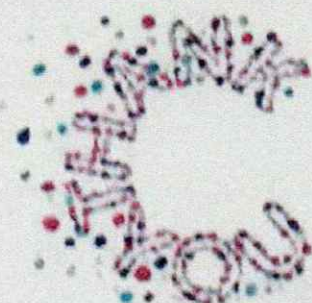

Thousands of people are alive in Britain today thanks to progress made in cancer research. However, our funds are raised almost entirely through public donations so we rely overwhelmingly on the support of people like you.

If you have chosen to hear from us, we'll keep you updated about the progress we are making and the ways you can support our work in the future. If you would prefer not to hear from us, and haven't told us this already, you can contact us on 0300 123 1022 or at supporter_services@cancer.org.uk to let us know. If there is anything else we can do for you please call us on the number above or you can visit us at www.cruk.org.

One day we will beat cancer. Thank you for helping us make it sooner.

Yours sincerely,

Trudy Stammer
Head of Volunteer Fundraising

If your communication to us includes personal information about your experiences of cancer, please be assured that, in line with General Data Protection Regulations, while we have stored this information on our system to enable us to respond to you, this will not be used by Cancer Research UK for any other purposes.
